<b>Water Class</b>
<b>New Class</b>

# Class Descriptions

**Ballroom Dance:** Learn the basics of Ballroom dance. No partner needed and you may partner up with others from time to time.

**Boot Camp:** This class will help define and shape the body where it counts. A combination of strength, cardio and abs.

**Bikini Body:** Combination of weights, bands, ball and barre for strength and sculpting.

**Cycling:** Group cycling class on stationary bikes designed to challenge your cardio output with sprints, hill climbs, jumps and other cycle drills. Class is set to motivating, high energy music.

**Cyclates:** Group cycling class on stationary bikes designed to challenge your cardio output with sprints, hill climbs, jumps and other cycle drill for the first 45 minutes. The last 10 minutes will be Pilates.

**Cardio Dance:** Does music motivate you to exercise better? Do you love to dance? A total body workout through dance! Get your cardio while dancing to a variety of music such as pop, Zumba, Broadway and hip hop.

**Deep Water:** Deep Water interval training is a no impact class that will raise your heart rate and get your blood flowing. Let's get fit in the water!

**Hip Hop Mix & Match:** Hip Hop dance fitness cardio, mixed with the use of light weights & mats. SCULPT & TONE to the latest POP music.

**Hip Hop Toning:** Dance fitness combining the use of toning sticks or light weights, choreographed to Latin & pop music.

**Hip Hop Cardio:** Burn lots of calories with this high impact, Hip Hop dance FITNESS workout, to the latest pop music.

**High-Intensity Interval training (HIIT):** A form of interval training, an exercise strategy alternating short periods of intense anaerobic exercise with less-intense recovery periods. HIIT is a form of cardiovascular exercise. These short, intense workouts provide improved athletic capacity and condition as well as improved glucose metabolism.

**Kickology:** Cardio Kickboxing is a combination of dance and martial arts that will undoubtedly improve your endurance and cardiovascular fitness, tone muscles and shred your abs if you practice consistently with power and precision. Cardio Kickboxing routines are characterized by their high intensity intervals coupled with toning recovery periods to zap calories and define your muscles.

**RIPPED:** Resistance, Intervals, Power, Plyometrics, and Endurance - It's a pre-choreographed, athletic based workout that incorporates weights and cardio

**Shallow Water:** Shallow water interval training is a no impact class that will raise your heart rate and get your blood flowing.

**Stretch and Strength:** This class marries mobility and strength to music. Get strong and flexible!

**Tabata:** A high-intensity, interval training class!

**TRX Blast:** TRX challenges you to push your strength to new levels in this rep-based workout using on the TRX suspension trainer and your own body weight

**Vinyasa Yoga:** A class designed for those that want to take their yoga practice to the next level. An upbeat, exhilarating class that will sculpt your body, improve flexibility, and increase muscle tone while relieving stress.

**Zumba@:** Fuses hypnotic Latin rhythms and easy to follow moves to create a dynamic fitness program that will blow you away. Routines feature interval training sessions, using fast and slow rhythms for a fun dance workout.

**Zumba Tone & Stretch:** A mix of latin and modern pop cardio dance routines while integrating resistance training, balance, and flexibility

**Zumba@ Step:** A lower-body, calorie-burning workout, blending Latin rhythms and pop music. Tone and strengthen glutes and legs with blend of Zumba routines and step aerobics. You will see maximum results without losing the easy-to-follow fitness-party.
