

MEDIA POLICY

VILLAGE AT ANTHEM COUNCIL OF CO-OWNERS

When a Board member is approached for a statement or question from a media source the Board member will respond that the Community manager will contact the media representative with the Boards reply/statement. The Board will discuss their reply/statement and provide it in writing to the Community Manager.

When the Community manager is approached for a statement or question from a media source the Community manager will reply by reading the statement prepared by the Board of Directors.

If the media source asks the Community manager for additional information the Community manager will pass that request on to the Board for additional comment. The Board may choose to respond, and will do so through written comment to the Community manager.
