BEST OF OUR VALLEY: ANTHEM NAMED BEST MASTER PLANNED COMMUNITY FOR CHILDREN

Anthem, Ariz. – Anthem has been named a winner in AZ Foothills’ “Best of Our Valley” contest as the “Best Master Planned Community for Children.” The award comes after 60 days of voting in more than 300 categories; more than 4,000 entrants were nominated, and millions of votes from across the Valley were tallied.

As the People’s Choice Winner in the category, Anthem will be featured in April’s “Best of Our Valley” edition of Arizona Foothills Magazine and listed on the “Best of Our Valley” list on AZFoothills.com. Anthem Community Council (ACC) representatives will attend the “Best of Our Valley Bash” in May to accept the award on behalf of the community.

“This honor is a reflection of the unique people, places and spaces that make up our community,” said ACC Community Executive Officer Jenna Kohl. “From our family-oriented businesses to top-rated schools, expansive parks and trails to active and engaged residents, Anthem is truly a place worthy of our pride.”

Through the past 17 years, Anthem has been recognized with various awards and accolades from regional and national organizations and publications. View these achievements at OnlineAtAnthem.com/awards-accolades.
