**PROGRAM AT ANTHEM CIVIC BUILDING WILL ONCE AGAIN BRING BUSINESSES TO THE TABLE**

**Anthem, Ariz.** – The Anthem Community Council Economic Development Committee (EDC) will host a Business Roundtable at the Anthem Civic Building on Feb. 3, 8-10 a.m. All Anthem business owners, operators and commercial property managers are invited to attend. The event is free, and breakfast will be provided beginning at 7:30 a.m.

Building off the success of the first Roundtable in September, this event will focus on “How to Grow Your Business by Getting Involved” and will feature the Anthem Area Chamber of Commerce, networking groups and information about sponsoring or being involved with ACC special events. Dennis Jones, 2015 Business Person of the Year, will provide a keynote address. Attendees will also have the opportunity to provide feedback in small groups about issues facing the Anthem business community.

“One of the major themes that emerged from the first Roundtable was that involvement in the community is a key driver for businesses to have long-term success and growth,” said Justin Simons, chair of the ACC’s Economic Development Committee. “At this event, we will provide Anthem businesses with tangible ways to get involved, while also hearing how Dennis has put this concept into action.”

The EDC studies and recommends policies relating to promotion of economic development in Anthem in order to promote the community as the “hub of the North Valley” and a place to live, work and play, in order to facilitate enhanced property values and promote a positive image of the community.

Advance registration for the Roundtable is recommended: [OnlineAtAnthem.com/ACB-programs](http://OnlineAtAnthem.com/ACB-programs).
