PROGRAM AT ANTHEM CIVIC BUILDING WILL BRING ANTHEM BUSINESSES TO THE TABLE

Anthem, Ariz. – The Anthem Community Council Economic Development Committee (EDC) will host a Business Roundtable at the Anthem Civic Building on Sept. 16, 8-10 a.m. All Anthem business owners, operators and property managers are invited to attend. The event is free, and breakfast will be provided.

The Roundtable is an opportunity for local businesses to learn more about the resources available from the EDC, the Business Services Department and the Anthem Community Council (ACC) in general. After a short panel presentation, attendees will break into small groups to converse with EDC members and ACC staff about how to grow and prosper business in the community. Businesses will also be surveyed about successes and challenges they've faced in Anthem.

Also at the event, businesses will have the opportunity to register as a host for Trick-or-Treat for an Anthem Sweet, which will be held throughout Anthem on Oct. 30, 4-6 p.m.

The EDC studies and recommends policies relating to promotion of economic development in Anthem in order to promote Anthem as the "hub of the north Valley" and a place to live, work and play, in order to facilitate enhanced property values and promote a positive image of the community.

Advance registration for the Roundtable is required: OnlineAtAnthem.com/ACB-programs. Learn more about economic development efforts at OnlineAtAnthem.com/EDC.
